Purpose of a Student Code of Conduct

The Student Code of Conduct that follows is the District's response to the requirements of Chapter 37 of the Texas Education Code. The law requires the District to establish standards of student conduct and to identify the circumstances under which a student may be removed from a classroom, campus, or disciplinary alternative education program, transferred to a disciplinary alternative education program, suspended, or expelled. The Code provides information to parents and students regarding expectations for behavior, consequences of misconduct, and procedures for administering discipline.

We provide you a copy of or access to the Code annually; a copy is also available for review in the principal's office of each campus in the District. The code is posted on the District's website at www.driscollisd.esc2.net and can be accessed or printed at any time from that site. If you do not have access to a computer, the principal's office at your child's campus will print one for you, upon request. This Code is not a contract and can be amended by the District at any time. However, any change or amendment to the Code will be approved by the Board of Trustees.

Violations of the Code of Conduct are documented by teachers and other professional employees using campus discipline referral forms.

Teachers and principals may impose campus or classroom rules in addition to those found in the Student Code of Conduct. These rules may be posted in classrooms or given to the student and may or may not also constitute violations of the Student Code of Conduct.

Expectations for Student Behavior

Each student is expected to:

- Demonstrate courtesy and respect for others.
- Behave in a responsible manner.
- Attend all classes, regularly and on time.
- Be prepared for each class; take appropriate materials and assignments to class.
- Obey all campus and classroom rules.
- Respect the rights and privileges of other students and of teachers and other District staff.
- Be well-groomed and dressed appropriately, as articulated in the Driscoll Student Handbook.
- Respect the property of others, including District property and facilities.
- Cooperate with or assist the school staff in maintaining safety, order and discipline.
- Avoid violations of the Student Code of Conduct.

General Authority to Impose Discipline

The Texas Legislature has delegated the authority to manage independent school districts and discipline students to the Board of Trustees and its employees. The school has the authority to administer discipline whenever the interest of the school is involved, on or off school property, in conjunction with or independent of classes and school-sponsored activities. The District's disciplinary authority applies:

- during the regular school day and while the student is going to and from school on District transportation;
- within 300 feet of school property;
- while the student is participating in any activity during the school day on school grounds;
- during lunch (whether on or off school campus);
- while the student is in attendance at any school-related activity of the District, regardless of time or location;
- while the student is on school property of another Texas school district or attending a school activity of a school in another Texas school district;
- for any school-related misconduct, regardless of time or location;
- when the student retaliates or threatens retaliation against a school employee, regardless of time and location;
- when the district has a reasonable belief that the student has engaged in conduct that would be punishable as a felony, as provided by Texas Education Code § 37.006;
- when the student is involved in criminal mischief on or off school property or at a school-related event;
- when the student makes a false alarm or report of bombing, fire, or other emergency involving a public school, regardless of time or location;
- when the student makes a terroristic threat involving a public school, regardless of time or location; and
- when the student commits aggravated robbery against another student, regardless of time or location.

Discipline of Students with Disabilities

Federal law regarding the education of students with disabilities (IDEA and Section 504) imposes specific procedures and limitations on the discipline of students with disabilities. For further information on this topic, please contact the principal, who will direct you to special education staff, or Mary Beth Lozano. Information is also available to parents of students with disabilities in the "Explanation of Rights and Procedural Safeguards of a Parent with a Child with Disabilities in School," which

is provided to parents at the time of admission to special education and annually, upon initial referral, upon request for an evaluation, upon the filing of a request for a special education due process hearing, or upon request by a parent.

Disciplinary Consequences

In assessing discipline, administrators will consider:

1. The seriousness of the offense.
2. The student's age.
3. The student's attitude.
4. The potential effect of the misconduct on the school environment.
5. Whether the student was defending himself or herself.
6. The student's intent or lack of intent at the time the student engaged in the conduct.
7. The student's disciplinary history.
8. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, but only as required by federal law and regulations related to discipline of students with disabilities.

The following discipline management techniques may be used, alone or in combination, for misbehavior that violates the Student Code of Conduct or campus or classroom rules:

- Oral correction
- Cooling-off time or "time-out" in a setting separate from other students that is not locked and from which the exit is not physically blocked by furniture, a closed door held shut from the outside, or another inanimate object
- Seating changes within the classroom
- Counseling by teachers, counselors, or administrative personnel
- Parent-teacher or parent-administrator conferences
- Confiscation of items that disrupt the educational process. The principal or designee will determine the period of confiscation, generally not to exceed the end of the school year
- Confiscation of paging devices, cellular telephones, camera phones and the like. The District will charge the student or parent an administrative fee of \$15 before releasing a confiscated device. The District may also dispose of a confiscated paging device, cellular phone, camera phone or similar device in any reasonable manner after 30 days notice to the parent and company whose name and address or phone appear on the device.
- Grade reductions as permitted by policy
- Rewards or demerits

- Behavioral contracts
- Sending the student to the office or other assigned area
- Assigned school duties other than class tasks
- Withdrawal of privileges, such as participation in extracurricular activities, participation in graduation exercises, and eligibility for seeking and holding honorary offices, and/or membership in school-sponsored clubs or organizations
- Consequences or penalties identified in individual student organizations' codes of conduct, bylaws, constitutions, or rules
- Withdrawal or restriction of bus privileges
- School-assessed and school-administered probation
- Citation or ticket from School Resource Officers or school security personnel
- Referral to outside agency and/or legal authority for criminal prosecution in addition to disciplinary measures imposed by the District

The following disciplinary measures may be used, alone or in combination with each other or any of the above techniques, for misbehavior that violates the Student Code of Conduct or campus or classroom rules:

- In-school suspension
- Detention
- Suspension from school (not to exceed three school days at once)
- Formal removal from class by the teacher
- Removal to an disciplinary alternative education program
- Extension of disciplinary alternative education program removal term for additional offenses while in the alternative program
- Expulsion from school

What minimum procedures will provide each student facing discipline other than detention? Each student will be told what infraction the administrator believes the student to have committed. Each student will then be given the opportunity to tell his or her side of the incident. The student's admission of the offense negates the need for further investigation or procedures, though the administrator may seek further information if desired.

How and when will we contact you about disciplinary action? Parents are responsible to provide to the campus administration each year the address and telephone number(s) at which parents can be reached and to update those numbers as necessary during the school year. School officials will use the information provided by the parent to contact parents about disciplinary matters. Parents will be notified

of code of conduct violations that can result in suspension, removal to DAEP or expulsion in a reasonable amount of time by telephone or in writing. Campus administrators may, but are not required to notify parents of incidents by telephone on the day of the incident.

What consequences will occur when a student is an accomplice in an offense? Any student who assists, encourages, promotes, or attempts to assist in the commission of a serious offense will receive the same punishment as a student who actually engages in the conduct.

What are the expectations for student reporting of offenses? A student who has knowledge that another student or students have committed a serious offense is expected to report that information to a school official. If the administrator learns that a student failed to report the commission of a serious offense, the student will be subject to a lesser disciplinary consequence, either one step lower than that imposed for the serious offense of which the student had knowledge or a shorter term of discipline.

Physical Restrain

In some circumstances, it may be necessary for a district employee to use force, but not deadly force, to physically restrain a student in order to lead, guide, and direct the student or to protect the student or any other person from physical injury, to obtain possession of a weapon or other dangerous object, to protect property from serious damage, to remove a student who is refusing to comply with a legitimate directive from a school employee from a specific location in order to restore order or to impose disciplinary measures, or to restrain an irrational student.

Corporal Punishment

Corporal punishment has not been approved by the Driscoll ISD Board of Trustees as an appropriate disciplinary consequence for Code of Conduct violations.

Coaches and physical education teachers may use reasonable physical exercises or activities as a measure to enforce class or team rules in classes and activities, and these exercises or activities are not considered to be “corporal punishment.” No other employees may use exposure to the physical elements, e.g., standing outside in heat or cold, or physical exertion, e.g., running, sit-ups, etc., as a disciplinary measure.

In-School Suspension

For minor infractions of the Student Code of Conduct or campus or classroom rules, teachers or administrators may assign a student to one or more days of in-school suspension where, under the supervision of a certified teacher (6th-8th)/aide (PK-5th), students will complete assignments given them by their regular teachers. Both the length of the suspension and restrictions on participation in school sponsored or

school related extracurricular activities during the suspension are left to the discretion of the administrator.

If we place your child in in-school suspension for an extended period of time, we will offer an opportunity for the student to complete the courses in which he or she was enrolled at the time of the placement before the beginning of the next school year. This opportunity may be by summer school, correspondence courses, distance learning, or other avenues. You will be responsible for the ordinary charges associated with the program.

Detention

For minor infractions of the Student Code of Conduct or campus or classroom rules, teachers or administrators may detain students after school hours or during lunch on one or more days. .

Suspension

When and for how long will a student be suspended? The principal or other appropriate administrator may suspend a student for a maximum of three school days at a time if the student violates the Code of Conduct by engaging in any prohibited conduct. Both the length of the suspension and restrictions on participation in school-sponsored or school-related extracurricular activities during the suspension are left to the discretion of the administrator.

How many times can a student be suspended? Neither state law nor this Code of Conduct impose a limit on the number of times a student may be suspended during a semester or school year.

Formal Removal from Class by Teacher

What is the difference between being sent to the office and formal teacher removal? Students may be sent to the principal's office for committing minor classroom infractions. However, a student who has been documented to repeatedly interfere with a teacher's ability to communicate effectively with the students in the class or with the ability of the students to learn, or who behaves in a manner the teacher determines is so unruly, disruptive, or abusive that it seriously interferes with the teacher's ability to communicate effectively with the students or with the ability of other students to learn will be formally removed from the teacher's classroom.

What is the process for formally removing a student from a teacher's classroom? Within three days of the removal, a conference will be held between the principal or other appropriate administrator, the student's parent or guardian, the teacher removing the student from class, and the student. Pending the conference, the principal may place the student in another appropriate classroom, in-school suspension, or an disciplinary alternative education program. Following the conference, the principal will order the placement of the student. The principal will not return the student to

the teacher's class without that teacher's consent, unless the Placement Review Committee determines that such placement is the best or only alternative.

Are there any special limitations associated with formal teacher removal? If a teacher removes a student from class because the student committed any kind of assault against the teacher, the student may not be returned to the teacher's class without the teacher's consent.

Disciplinary Alternative Education Program

General DAEP Information

What is a DAEP? The District operates a Disciplinary Alternative Education Program (DAEP) for students who have committed certain serious offenses (see page 17). The DAEP:

1. is in a setting other than the student's regular classroom;
2. is located on a regular school campus;
3. separates students in the DAEP from students in the regular program;
4. separates elementary school students assigned to DAEP from secondary school students assigned to DAEP;
5. focuses on English language arts, mathematics, science, history, and self-discipline;
6. provides for students' educational and behavioral needs; and
7. provides supervision and counseling;
8. employs only teachers who are fully certified; and
9. provides at least a 7 hour school day, including lunch and other breaks.

No student who has engaged in behavior warranting a DAEP assignment will be placed in an unsupervised setting, other than an out-of-school suspension pending the DAEP conference.

Where is the DAEP? Will it operate during the school day? Is transportation provided? Driscoll ISD's disciplinary alternative education program is located on campus, and operates between the hours of 7:45 and 2:50. District transportation is provided based on a case by case basis, and parents are responsible for making sure students attend while assigned. Failure to attend the DAEP is a violation of compulsory attendance laws, and students and parents may be prosecuted for failure to attend while assigned.

What kind of courses are taught at the DAEP? Instruction in the DAEP will focus on English language arts, mathematics, science, history, and self-discipline. The District is not required to provide electives, foreign languages or honors or advanced

courses of any kind at the DAEP. The District will provide an opportunity for students who have been placed in the DAEP to complete coursework necessary to fulfill high school graduation requirements before the beginning of the next school year, if the term of the student's placement is such that the student is not able to continue enrollment in all his or her courses. The opportunity to complete coursework will be provided through any method available, which may include summer school, distance learning, or correspondence courses. The District will not assess any charge for the student to complete a course under this provision.

TERMS OF PLACEMENT: Students are assigned to DAEP with a written removal order that states a specific term of placement that is the number of successful school days that must be served. Students will be credited with a "successful day" of DAEP assignment if the student is present, completes all assigned work, follows all rules of the DAEP, and engages in no additional violations of the Student Code of Conduct. The length of all DAEP assignments is at the discretion of the administration, within the guidelines stated below.

What are the guidelines for the term of DAEP placement? A removal to DAEP may be for as brief a time as five school days up to one full year from the date of the order. The administrator issuing the removal order will use his or her best professional judgment, taking into account the factors considered in all disciplinary actions, in setting the term of a DAEP placement. In some circumstances, a placement term may be longer than one year if, after a review, the administrator determines that the student is a threat to the safety of other students or to employees or that an extended placement would be in the student's best interest.

Ordinarily a DAEP assignment will not extend beyond the end of a school year. However, if the administrator making the placement determines: 1) that the student's presence in the regular classroom or at the student's regular campus poses a danger of physical harm to the student or another individual; or 2) the student has engaged in serious or persistent misbehavior that violates the District's Student Code of Conduct, then the assignment may be continued to the next school year. Serious offenses occurring during the last grading period of the school year will generally extend into the next school year.

"Serious misbehavior" and "persistent misbehavior" are defined on page 18 this Code.

The DAEP administrator may extend the original term of removal based on new violations that occur while the student is assigned to the DAEP, including violation of DAEP rules, by following the procedures for initial DAEP placement, i.e., a conference with student and parents.

Are some offenses subject to a different length of assignment? Yes. A student who has received punishment through the criminal justice system for sexually assaulting another student, regardless of whether the conduct occurred on or off school property, and who cannot be assigned to a campus other than a campus

where the victim of the assault is assigned may be assigned to the DAEP for so long as both students are enrolled in the district.

SCHOOL-RELATED ACTIVITIES: Students assigned to a DAEP may not attend or participate in extracurricular activities during the term of their assignment.

STUDENTS YOUNGER THAN TEN: Students younger than ten who commit an expellable offense will be placed in a disciplinary alternative education program for elementary age students.

STUDENTS YOUNGER THAN SIX: Students younger than six will not be placed in a disciplinary alternative education program for any reason other than bringing a firearm to school.

EFFECT OF WITHDRAWAL: Withdrawing a student from school does not affect the District's authority to schedule and conduct a conference on the conduct and enter an order of removal, regardless of whether the student or parent is present to participate. The order of removal will be included with the records sent to any transferring school, including another public school, a campus charter program, or an open-enrollment charter school, and that district or school will be empowered to exercise its authority to honor the removal. Furthermore, even if we do not complete the removal process and issue a removal order, we will send disciplinary records to the next school, and that school has the authority to complete the removal process and issue a removal order.

Students who transfer out of this District to another public or private school, including students who withdraw from this District for the purpose of home schooling, and students who do not attend Driscoll ISD's disciplinary alternative education program for the duration of the placement for any reason (other than reasons which constitute an "excused absence" under District policy), will be required upon return to this District to complete the number of days missed in the disciplinary alternative education program before being allowed to return to the regular campus, unless their records indicate that the term of removal was served in another school district or charter school.

EFFECT OF TRANSFER INTO DISTRICT: If a student transfers into this District from another school district in which the student was placed in a disciplinary alternative education program, Driscoll ISD may continue the DAEP placement under the terms of the order provided by the sending school district.

If a student transfers into this District from an open-enrollment charter school or from another state and the District receives a copy of the removal order in the records from the other school, the district may enforce the terms of that removal order, provided the grounds for removal to DAEP in the charter school or other state are grounds for removal in the District.

GRADUATING 8TH GRADERS IN THE DAEP: When a student is placed in the DAEP during the 8th grade, the District may allow that student to participate in

graduation ceremonies, provided that all prerequisites for graduation are met and provided that the student has successfully completed all of the days that the student was placed in the DAEP. If the student in question has unexcused absences or has not completed his or her days in the DAEP for any other reason, such as withdrawal or transfer to another school district, the student will not be allowed to participate in graduation ceremonies. Any decision concerning participation in graduation ceremonies will be made by the student's home campus principal, whose decision is final.

Conduct That Warrants DAEP Placement

DEFINITIONS: Definitions of offenses and other key terms are found in the definition section of the code beginning on page 33.

The campus principal or other appropriate administrator will place a student in DAEP if the student commits any of the following offenses on or within 300 feet of school property, as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Lying about the conduct of other students or making false accusations about district employees

“Persistent misbehavior” consists of two or more separate violations of the Student Code of Conduct in general or repeated violations of the same offense.

CONDUCT UNRELATED TO SCHOOL - TITLE 5 OFFENSES: A student will be removed from class and placed in a disciplinary alternative education program based on off-campus criminal conduct punishable as a felony under Title 5, Texas Penal Code. See the chart on page 54 in the Definitions for a list of these offenses. However, if more than a year passes from the date of the off-campus criminal offense to the time that a school administrator learns of the offense, the administrator is not required to place the student in the DAEP.

What are Title 5 offenses? Title 5 offenses are crimes against the person, identified in Title 5 of the Texas Penal Code. Specifically, Title 5 offenses include: murder; capital murder; manslaughter; criminally negligent homicide; kidnapping; aggravated kidnapping; indecency with a child; sexual assault; aggravated assault; aggravated sexual assault; injury to a child, elderly individual, or disabled individual; abandoning or endangering a child; deadly conduct; terroristic threat; aiding a person to commit suicide; and tampering with a consumer product.

CONDUCT UNRELATED TO SCHOOL - NON-TITLE 5 OFFENSES: A student will be removed from class and placed in an disciplinary alternative education program for off-campus criminal conduct punishable as a felony, other than offenses defined by Title 5, Texas Penal Code, if the administration determines that the student’s continued presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process. However, if more than a year passes from the date of the off-campus criminal offense to the time that a school administrator learns of the offense, the administrator is not required to place the student in the DAEP.

RELATIONSHIP OF CRIMINAL OR JUVENILE JUSTICE SYSTEM AND THE SCHOOL DISTRICT: The school district may place a student in the DAEP regardless of any action or lack of action taken by the criminal or juvenile justice system. However, in some circumstances, the district may re-assess the punishment based on information from law enforcement authorities.

When will the school contact law enforcement about a student’s conduct? The principal or designee is required to notify the sheriff’s department or if he or she has reasonable grounds to believe that a student or anyone else has engaged in certain criminal conduct on school property or at a school activity. Those activities include any conduct that would be an offense listed in Government Code §508.149 (see Definitions); deadly conduct; a terroristic threat; drug paraphernalia, or marijuana offenses; possession of a prohibited weapon; organized criminal activity; criminal conduct that would support mandatory expulsion. The District may contact law enforcement officials at any time the administrator determines that their presence will assist the District.

Does a student have to be arrested or convicted of a felony offense before the District can place the student in a DAEP? No. A student may be removed from class and placed in a DAEP if the administration determines that the student committed an offense requiring DAEP assignment while he or she was under the school's jurisdiction. The district will send the required information about the removal to the juvenile authorities.

When the assignment is necessary because of CONDUCT UNRELATED TO SCHOOL, the removal is based on the administrator's reasonable belief that the student has committed a felony offense. If the out-of-school offense is a non-Title 5 felony, before the student is placed in the DAEP, the administration must also determine that the continued presence of the student in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

In determining whether there is a reasonable belief that a student has engaged in conduct defined as a felony offense in the Penal Code, the administrator may consider all information available, including information furnished by law enforcement.

What options does the school have if the student is found guilty of a Title 5 felony offense? The administration must place the student in DAEP if the conviction, deferred prosecution, or determination of delinquency occurs during the school year while the student is enrolled in a district school and the student is not otherwise confined under the authority of the criminal or juvenile justice system. The administration also has the authority to expel a student to DAEP or a JJAEP in which the district participates. See Permissive Expulsion to JJAEP or DAEP of Students with Criminal Histories in the Expulsion portion of the Code for more complete information.

What happens if the courts say the student did not commit the offense or the student is not prosecuted for other reasons? If, after the placement, the administration receives notice from an appropriate law enforcement agency that the student was found not guilty of the felony offense and the case was dismissed with prejudice, or that the student was not prosecuted and no formal proceedings, deferred adjudication, or deferred prosecution was initiated, the administration will review the student's placement in the DAEP. The student will remain in the DAEP pending the review, which will take place within three class days of the administration's receiving the notice. The parents or guardian will be provided an opportunity for input. However, if after the review the administration believes that the presence of the student in the regular classroom threatens the safety of the other students or teachers, the administration may continue the student's placement in the DAEP.

This review is not necessary if the reason for the removal is an offense that must result in DAEP placement because the conduct occurred on or within 300 feet of school property or at any school-related activity or event, regardless of time or place. The student will ordinarily remain in the DAEP until the term of removal

has been completed, regardless of additional information from an appropriate law enforcement agency.

If the student is not being prosecuted for the out-of-school offense, but the school wants to continue the DAEP placement, what rights of appeal does the student have? The student or the parent or guardian may appeal the decision of the administration to continue the student's placement in the DAEP to the Driscoll ISD Board of Trustees. The appeal will be heard at the next regularly scheduled board meeting, where the board will review the notice letter from law enforcement and receive information from the administration and the student or the student's parent or guardian. The decision of the Board of Trustees is appealable to the Commissioner of Education. The student remains in the DAEP pending all appeals.

JUVENILE COURT-ORDERED PLACEMENT IN DAEP: The juvenile court may order a student to attend the district's DAEP as a condition of probation, regardless of whether the school district has a basis for imposing discipline on the student. When the juvenile court orders a student to attend the DAEP as a condition of probation, the district, after receiving a copy of the order, will immediately transfer the student to the DAEP for the period of time designated by the court. However, state law prohibits the juvenile court from ordering a student who has been expelled from the district to attend the DAEP.

OTHER COURT-ORDERED PLACEMENT IN DAEP: When the district receives a copy of an order from a justice or municipal court indicating that a student must attend the DAEP as a condition of a term of probation under Code of Criminal Procedure 45.051, the principal or other administrator will hold a conference as described in Procedures for Removal to an DAEP and determine whether the student should be assigned to the DAEP or should remain in the regular school setting. The principal or other administrator will consider the nature of the misdemeanor offense resulting in the order in making this determination.

PLACEMENT OF STUDENTS WHO ARE REGISTERED SEX OFFENDERS: A student who is currently required to register as a sex offender may be removed from the regular classroom and placed in another setting according to the requirements of state law.

A Student who is a registered sex offender under any form of court supervision must be placed in the DAEP or a JJAEP in which the District participates, in accordance with the District's agreement with the juvenile board or in accordance with a court order, for at least one semester. If a student who is a registered sex offender under court supervision moves or transfers into the District, the District may require the student to complete an additional semester in the appropriate alternative setting without conducting a review or it may count any time the student has been in an alternative setting toward the mandatory one semester assignment.

A student who is a registered sex offender and who is not under any form of court supervision may be placed in the DAEP or JJAEP available to the District, in accordance with the District's agreement with the juvenile board or in accordance

with a court order, for at least one semester or in the regular classroom. However, the District may not place a student in the regular classroom if District officials determine that the student's presence in the regular classroom (1) threatens the safety of other students or teachers, (2) will be detrimental to the educational process, or (3) is not in the best interest of the District's students.

At the end of the first semester of placement in an appropriate alternative setting, the District shall convene a committee to review the student's placement. The committee will be composed of a teacher from the student's home campus, the student's parole, probation or juvenile probation officer, an instructor from the alternative setting, the principal of the home campus or other person designated by the District, and a District counselor. The committee by majority vote will determine a recommendation to be made to the superintendent or designee regarding whether the student should continue placement in the alternative setting or be returned to the regular campus.

The superintendent or designee shall follow the committee's recommendation on placement unless the superintendent or designee determines that the student's presence in the regular classroom (1) threatens the safety of other teachers and students, (2) will be detrimental to the educational process, or (3) is not in the best interest of the District's students. If the superintendent or designee determines that the student should remain in the alternative setting, then before the beginning of the next school year, and any additional school years, the District must convene the committee to review and determine the student's placement, using the same standards set out in this paragraph.

A student who is a registered sex offender not under court supervision who moves or transfers into the District will be placed in the regular classroom or an appropriate alternative setting using the committee recommendation and review process described above.

The student or parent may appeal the District's decision regarding placement by asking for a conference among the superintendent or designee, the parent, and the student. The conference is limited to the factual question of whether the student is or is not a registered sex offender. If the District determines that the student is a registered sex offender, then student will be placed as described above, and that decision is final and cannot be appealed.

An ARD committee will make decisions about a student with disabilities who is a registered sex offender.

Procedures for Removal to DAEP

Will the student have a chance to dispute the allegations? Before a student is placed in a disciplinary alternative education program, the principal or other administrator will tell the student briefly why he or she is being removed to that program and explain that the student will have an opportunity to give his or her version of events at a conference to be scheduled and held within three class days. In most circumstances, the student will be suspended pending the placement conference.

Will parents have an opportunity to provide input? Within three class days after the date the student is charged with the offense, the principal or other administrator will

contact the parent by telephone or in writing to schedule and hold a conference with the student, the teacher who removed the student from class (if any), and the parents and will make efforts to ensure that all invited parties can attend.

What if the parent cannot attend the conference? The District may proceed with the conference without the parents or student present, so long as the parents and student have been notified of the conference. Whether or not the parents attend the conference, the student will receive oral or written notice at the conference from the administrator of the reason(s) for the removal and the offense the student is charged with violating. The student will have an opportunity at that time to explain or respond to the reasons for removal. The student and parents will receive a written notice no later than two days after the conference memorializing the conference and stating the length of the removal to the DAEP, if applicable, and any conditions or other requirements related to the DAEP assignment, i.e., a written removal order.

What information will be provided to the juvenile authorities? When a student is placed in the DAEP for a mandatory placement reason, a copy of the removal order, the child and parent's names and address, names and address of any witnesses, and a complete statement of the circumstances surrounding the conduct will be forwarded to the authorized officer of the juvenile court in the county in which the student resides.

Emergency Placement

A campus administrator or the superintendent may order a student immediately placed in a disciplinary alternative education program if his or her behavior is so unruly, disruptive, or abusive that it seriously interferes with school operations or activities. At the time the student is placed in DAEP under this emergency provision, the student will be told of the reason for the placement, which must be one of the District's reasons for DAEP placement under this Code.

Appeal of DAEP Placement

The student remains in the DAEP during all appeals. A decision by the principal or designee to place a student in the DAEP may be appealed to the Superintendent or designee. The appeal must be in writing and filed with the Superintendent or designee within three days of receipt of the DAEP removal order. The appeal must state all bases for the appeal and what remedy the student or parent is seeking. The Superintendent or designee will review the written appeal and the record of the removal prepared at the campus level. At his or her discretion, the Superintendent or designee may schedule a conference with the student or parent. If a conference is scheduled, it will be held within five days, after which a written decision will be issued within seven days.

If no conference is scheduled, the Superintendent or designee will issue a written decision within seven days after the appeal is received. The Superintendent or designee's decision may be appealed to the Board of Trustees by filing a written appeal with the Superintendent within three days after receipt of the decision. The

written appeal must state all the bases for appeal and the remedy the student or parent is seeking. At the next regular Board meeting after the appeal is received and for which proper notice can be posted, the Board will review the complete record of the disciplinary action, including all written appeals. The Board may choose to take no action after reviewing the record and appeal, which has the effect of sustaining the last administrative decision. The Board may also choose to schedule an appeal at a future meeting at which the parents and administration may make an oral presentation. The Board's decision in either case is final and may not be appealed.

Academic Assessment **and** **120-Day Review of DAEP Status**

How will the District assess a student's academic growth in DAEP? If a student will be assigned to DEAP for a term of 90 school days or more, the District will administer a test approved by the commissioner of education to the student initially on placement and again on the day the student leaves the DAEP, or as near that date as possible.

What does a review consist of? Who attends? Both the discipline and the academic status of students assigned to the DAEP will be reviewed at least every 120 calendar days. At the review, the parents may make arguments for the student's return to the regular classroom. If the student is in high school and is to remain in the DAEP, the administration, together with the parents, will establish a plan designed to assist the student's progress toward meeting high school graduation requirements. The District is not required to provide all a student's courses necessary for graduation while the student is assigned to the DAEP, but must offer an opportunity for the student to complete courses before the beginning of the next school year without charge to the student.

Expulsion

STUDENTS YOUNGER THAN TEN: Students younger than ten who commit expellable offenses will be placed in an disciplinary alternative education program.

STUDENTS YOUNGER THAN SIX: Students younger than six will not be expelled or placed in an disciplinary alternative education program for any reason other than bringing a firearm to school.

Conduct that Warrants Expulsion

MANDATORY EXPULSION: A student will be expelled if the student, on school property or while attending a school-sponsored or school-related activity on or off school property:

1. Uses, possesses, or exhibits a firearm, an illegal knife or any knife prohibited by local policy, a club, or a prohibited weapon, unless pursuant to written regulations or written authorization of the District;
2. Commits aggravated assault, sexual assault, aggravated sexual assault, arson, murder, capital murder, criminal attempt to commit murder or capital murder, indecency with a child, aggravated kidnapping, aggravated robbery, manslaughter, or criminally negligent homicide;
3. Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana or a dangerous drug, if the conduct is punishable as a felony;
4. Sells, possesses, gives, or delivers to another person an alcoholic beverage, or commits a serious act or offense while under the influence of alcohol, or uses or is under the influence of an alcoholic beverage, if the conduct is punishable as a felony.

A student will also be expelled if he or she commits any offense listed in items 1-4 above against a District employee or volunteer in retaliation for or as a result of the person's employment or other work in the District, without regard to where the conduct occurs.

Definitions of the above offenses can be found in the Definitions section of the Code of Conduct.

PERMISSIVE EXPULSION FOR CONDUCT ON OR IN PROXIMITY TO SCHOOL: A student may be expelled, in the discretion of the administration in view of all the facts and circumstances, for any of the following offenses when they occur on or within 300 feet of school property, as measured from any point on the school's real property boundary line:

1. Drug, alcohol, or abusable volatile chemical offenses, regardless of the amount.
2. Assault resulting in bodily injury against a school employee or volunteer.
3. Deadly conduct.
4. Making a false alarm or report of bombing, fire, or other emergency involving a public school.
5. Making a terroristic threat involving a public school.
6. Committing any offense stated in item 1 and 2 under MANDATORY EXPULSION.

7. Committing a serious offense or engaging in persistent misconduct while assigned to the DAEP.

“Serious offense” and “persistent misconduct” is defined on page 18 of this Code.

PERMISSIVE EXPULSION FOR CONDUCT OUTSIDE OF SCHOOL: A student may be expelled, in the discretion of the administration in view of all the facts and circumstances, for any of the following offenses, regardless where they occur:

1. Intentionally or knowingly damaging personal property, including real estate and tangible personal property belonging to any public school or institution of higher education, and the amount of loss is greater than \$1,500.
2. Intentionally or knowingly damaging the property of any other person without the person’s consent, and the amount of loss is greater than \$1,500.
3. Making a false report or alarm or a terroristic threat involving a public school.
4. Assaulting an employee or volunteer in retaliation for or because of the person’s relationship with the school and the assault results in bodily injury.
5. Committing aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, criminal attempt to commit capital murder, or aggravated robbery against another student.
6. Committing any offense listed at item 1-4 under MANDATORY EXPULSION on the school property of another Texas school district or while attending a school-sponsored or school-related activity of another Texas school district.

Permissive Expulsion to JJAEP or AEP for Students with Criminal Histories: Unless a student would be subject to mandatory expulsion, a student may be expelled and placed in a JJAEP in which the District participates or the DAEP if the student has any criminal history described as follows;

1. Received deferred adjudication under the Family Code for a Title 5 felony offense;
2. Been found to have engaged in delinquent conduct under the family Code for a Title 5 felony offense;
3. Is changed with engaging in a Title 5 felony offense;
4. Has been referred to a juvenile court for allegedly engaging in a Title 5 felony offense;
5. Has received probation or deferred adjudication for a Title 5 felony offense;
6. Has been convicted of a Title 5 felony offense;
7. Has been arrested for or charged with a Title 5 felony offense.

A student will be expelled and placed as indicated if the board or its designee determines, after the student has an opportunity for a hearing, that the student has a criminal history as described above and that the student's presence in the regular classroom (1) threatens the safety of other students or teachers, (2) will be detrimental to the educational process or (3) is not in the best interests of the District's students. At the hearing, the issues shall be limited to the determination whether or not the student has a criminal history, as described, and the District's determination as indicated.

The decision of the board or its designee is final and may not be appealed.

The student may be expelled and placed in a JJAEP in which the District participates or the DAEP regardless of the date on which the conduct occurred, the location at which the conduct occurred, whether the student was enrolled in the District at the time the conduct occurred, or whether the student has completed any curt disposition requirements associated with the conduct.

A student expelled and placed under these circumstances is subject to that placement until one of the following occurs:

1. The student graduates from high school;
2. The charges described above are dismissed or reduced to a misdemeanor offense; or
3. The student completes the term of the placement or is assigned to another program.

The term of placement continues to apply if the student transfers to another Texas school district.

The student will receive the periodic assessment and review during the expulsion and JJAEP or DAEP placement as described above for students assigned to the DAEP.

Procedures for Expulsion

Before a student is expelled, the student will have an opportunity for a due process hearing that will include the following:

1. At least three days prior written notice of the charges and the proposed sanctions so as to afford a reasonable opportunity for preparation, including a written invitation to the student's parent or guardian to attend the expulsion hearing. The notice will also include the date, time, and location of the hearing and the names of adult witnesses who will present evidence at the hearing;
2. Right to a hearing before the Superintendent or a designee;

3. Opportunity to testify and to present evidence and witnesses in his or her defense; and
4. Opportunity to examine the evidence presented by the school administration and to question the administration's witnesses.

REPRESENTATIVE: At the hearing, the student is entitled to an adult representative or legal counsel who can provide guidance to the student and who is not an employee of the District. The District may hold the hearing regardless of whether the student, the student's parent or guardian, or another adult representing the student attends, provided the District makes a good-faith effort to inform the student and the student's parent or guardian of the time and place of the hearing.

EVIDENCE: In an expulsion hearing, the District may rely on hearsay evidence of school administrators who investigate disciplinary infractions. This means that the school administration may present evidence or statements taken from students without revealing the identity of the student. The decision will be based exclusively on the evidence presented at the hearing. The student may be expelled based on the Superintendent or designee's reasonable belief that the evidence shows it is more likely than not that the student committed the offense(s) with which he or she was charged.

EXPULSION ORDER: The administration will deliver a copy of the order expelling the student to the student's parent or guardian, who is responsible for providing adequate supervision for the student during the period of expulsion.

In addition to notifying the parents, and not later than the second business day after the date an expulsion hearing is held, the administration will deliver a copy of the expulsion order to the authorized officer of the juvenile court in the county in which the student resides. The administration will also provide the child's and parent's names and address, names and addresses of any witnesses, and a complete statement of the circumstances surrounding the conduct to the juvenile board, as required by Family Code § 52.041.

GUIDELINES FOR TERM OF EXPULSION: An expulsion may be for as brief a time as four school days up to one full year from the date of the order. The administrator issuing the expulsion order will use his or her best professional judgment, taking into account the factors considered in all disciplinary actions, in setting a term of expulsion. In some circumstances, an expulsion term may be longer than one year if, after a review, the administrator determines that the student is a threat to the safety of other students or to employees or that an extended expulsion would be in the student's best interest.

EFFECT OF WITHDRAWAL: Withdrawal from school does not affect the District's authority to schedule and conduct a hearing on the conduct and enter an order of expulsion, regardless of whether the student or parent are present to participate. The order of expulsion will be included with the records transferred to the new school district, including another public school, a campus charter program, or an open-enrollment charter school, and that district will be empowered to exercise

its authority to honor the expulsion. Furthermore, even if we do not complete the expulsion process and issue an expulsion order, we will send disciplinary records to the next school, and that school has the authority to complete the expulsion process and issue an expulsion order.

Students who transfer out of this District to another public or private school, including students who withdraw from the District for the purpose of home schooling, and students who do not attend the Juvenile Justice Alternative Education Program for the duration of the placement for any reason (other than reasons that constitute an “excused absence” under District policy), will be required upon return to the District, to complete the number of days missed in the JJAEP program before being allowed to return to the regular campus, unless the student’s records indicate the student served the days of expulsion in another district.

EFFECT OF TRANSFER INTO DISTRICT: If a student transfers into this District from another school district in which the student was expelled, Driscoll ISD may continue the expulsion under the terms of the order provided by the sending school district.

If a student transfers into this District from an open-enrollment charter school or from another state and the District receives a copy of the expulsion order in the records from the other school, the District may enforce the terms of that expulsion order, provided the grounds for expulsion in the open-enrollment charter school or other state are grounds for expulsion in the District.

If a student transfers into this District from another school district in which the student was placed in the juvenile justice alternative education program, this District shall assign the student to the regular DAEP for the term of the previous school’s expulsion order.

EFFECT ON CREDITS: Expelled students will not receive credit for courses not completed because of an expulsion. Students may use correspondence courses or credit by examination, within the limits set by District policy, to earn graduation units. Students are responsible for all costs associated with correspondence courses or credit by examination.

GRADUATING 8TH GRADERS AND EXPULSION: When a student is expelled during the 8th grade, the District may allow that student to participate in graduation ceremonies, provided that all prerequisites for graduation are met. Any decision concerning participation in graduation ceremonies will be made by the student’s home campus principal, whose decision is final.

Appeal of Expulsion to Board of Trustees

A student is expelled during all appeals.

A decision by the administration to expel a student may be appealed to the Board by filing a written appeal within three days receipt of the expulsion order. The written appeal must state all the bases for appeal. At the next regular meeting after the

appeal is received and for which proper notice can be given, the Board will review the complete record of the expulsion, including all written appeals. The Board may choose to take no action after reviewing the record and appeal, which has the effect of sustaining the expulsion. The Board may also choose to schedule an appeal at a future meeting at which the parents may make an oral presentation of the appeal. The Board's decision regarding an oral appeal is final and may not be appealed.

If the Board permits an oral presentation, the administration may also be asked to speak. No new evidence or information, including witnesses or documents, will be permitted or considered. The Board may set reasonable time limitations for presentations. The student is expelled pending the appeal.

Emergency Expulsion

A campus administrator or the superintendent may order the immediate expulsion of a student if the administrator reasonably believes that the action is necessary to protect people or property from imminent harm. At the time of the emergency expulsion, the student will be given oral notice of the reasons for the action, which must be a reason for which the student could be expelled on a nonemergency basis. Formal due process as explained on page 23 will occur within a reasonable time thereafter.

Summer School

Our summer school program is not part of the regular school year program. Students voluntarily attend summer school to earn additional credits, to re-take courses they did not pass in the regular school year, to receive intensive instruction in subject areas where they did not demonstrate mastery on the state assessment instruments, or to complete courses necessary for graduation that were incomplete because of the student's placement in DAEP. During summer school, students are expected to abide by the rules of conduct that are in place during the school year. We will handle minor, isolated violations of conduct expectations through parent conferences; however, students who commit serious offenses or who have persistent behavior problems while enrolled in summer school will be withdrawn from the program.
